TREY GRAYSON
SECRETARY OF STATE
COMMONWEALTH OF KENTUCKY
BY R. Adkins

AN ACT relating to coal mines.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

1 ➔Section 1. KRS 304.44-030 is amended to read as follows:

2 ***(1)*** After July 15, 1984, every insurance policy issued or renewed insuring on a direct
3 basis a structure located in a county or portion of a county in this state except for
4 counties exempted pursuant to KRS 304.44-060 shall include, at a separately stated
5 premium, insurance for loss occurring after July 15, 1984, caused by mine
6 subsidence unless waived in writing by the insured. The premium charged for
7 coverage shall be the same as the premium level set by the administrator. The loss
8 coverage shall be the loss in excess of two percent (2%) of the policy's total insured
9 value, but at no time shall the deductible be less than two hundred fifty dollars
10 (\$250) nor more than five hundred dollars (\$500). The total insured value reinsured
11 by the administrator shall not exceed three hundred thousand dollars
12 (\$300,000)~~[one hundred thousand dollars (\$100,000)]~~ per structure. The insurer
13 shall not be required to write a policy for mine subsidence coverage in excess of the
14 amount reimbursable from the fund as authorized by this subtitle.

15 ***(2)*** The coverage provided pursuant to subsection (1) of this section shall also
16 include coverage up to twenty-five thousand dollars (\$25,000) for the additional
17 living expenses reasonably and necessarily incurred by the owner of a residence
18 who has been temporarily displaced as the direct result of damage to the
19 residence caused by mine subsidence.

20 ➔Section 2. KRS 304.44-050 is amended to read as follows:

21 All insurers writing property insurance covering structures in this state shall enter into a
22 reinsurance agreement with the administrator in which each insurer agrees to cede to the
23 administrator one hundred percent (100%), up to three hundred thousand dollars
24 (\$300,000)~~[one hundred thousand dollars (\$100,000)]~~, of any subsidence insurance
25 coverage issued and, in consideration of the ceding commission retained by the insurer,

1 agrees to undertake adjustment of losses, and payment of taxes, and to absorb all other
 2 expenses of the insurer necessary for sale of policies and administration of the mine
 3 subsidence insurance program. The administrator shall agree to reimburse the insurer
 4 from the fund for all amounts paid policyholders for claims resulting from subsidence and
 5 shall pay from the fund all costs of administration incurred by the administrator, but an
 6 insurer is not required to pay any claim for any loss insured under this subtitle except to
 7 the extent that the amount available in the mine subsidence insurance fund is sufficient to
 8 reimburse the insurer for such claim. Claims made under the provisions of the subtitle
 9 shall not be deemed to constitute a debt, liability, or obligation of the Commonwealth or
 10 any political subdivision thereof or a pledge of the faith and credit of the Commonwealth
 11 or any political subdivision except to the extent the fund has accumulated reserves from
 12 premiums, state or federal grants, investment income, or state appropriations.

13 ➔Section 3. KRS 351.315 is amended to read as follows:

14 (1) No person shall detonate explosives in any blasting operation in which more than
 15 five (5) pounds of explosives or the equivalent are used in a single charge or in
 16 which less than five (5) pounds of explosives are used by a regular user, excluding
 17 blasting for agriculture and underground coal, unless he is licensed by the
 18 department. The department shall issue a license to use explosives to any person
 19 who:

20 (a) Has worked in blasting operations for at least twenty-four (24) months under
 21 the immediate supervision of an experienced blaster or has worked in blasting
 22 operations for twelve (12) months and has completed a formal training
 23 program approved by the department; and

24 (b) Has passed an examination prescribed by the department which shall test the
 25 examinee's practice of blasting operations and the storage, moving, handling,
 26 and detonation of explosives.

27 (2) Application for license shall be in writing upon a form furnished by the department

1 and shall be accompanied by a photograph of the applicant. If the applicant is
 2 successful in passing the examination, a license indicating his competency to
 3 detonate explosives shall be issued upon the payment of a fee of twenty-five dollars
 4 (\$25).

5 (3) Any person who is a licensed blaster in another state where the qualifications
 6 prescribed at the time of licensing were, in the opinion of the commissioner, equal
 7 to those prescribed in the Commonwealth at the date of application, and where
 8 reciprocal licensing privileges satisfactory to the department are granted to licensees
 9 of the Commonwealth, may be granted a license without an examination, upon the
 10 payment of a fee.

11 (4) Each blaster shall be required to renew his license every three (3) years by
 12 application to the department, which application shall be accompanied by a fee and
 13 subject to the following training requirements:

14 (a) Each applicant for renewal of a Kentucky blaster's license shall furnish proof
 15 that during the preceding three (3) years, the blaster~~[he]~~ annually has
 16 attended a minimum of eight (8)~~[sixteen (16)]~~ hours of department-approved
 17 blaster's training~~[approved by the department]~~. No more than four (4) hours
 18 of the annual blaster training may be attributed to attending a conference
 19 unless otherwise approved by the department; and

20 (b) Each applicant for renewal of a limited Kentucky blaster's license shall furnish
 21 proof that during the preceding three (3) years, the blaster~~[he]~~ has attended a
 22 minimum of four (4) hours of blaster's training approved by the department.

23 (5) The department shall not issue a blaster's license to any person not entitled to
 24 transport or receive explosives under existing federal law, including persons who:

- 25 (a) Are less than twenty-one (21) years of age; or
- 26 (b) Have been convicted in any court of a crime punishable by imprisonment for a
 27 term exceeding one (1) year, unless the conviction has been specifically

1 exempted by the United States Bureau of Alcohol, Tobacco and Firearms or
2 its successor.

3 (6) All fees provided in this section shall be set by the department by administrative
4 regulation; however, the fee for an application shall not exceed forty dollars (\$40),
5 the fee for license renewal shall not exceed sixty dollars (\$60), and the fee for
6 reciprocal licensing shall not exceed sixty dollars (\$60).

7 (7) The commissioner may suspend any license for due cause, but no license may be
8 revoked until the licensee has been granted adequate opportunity for a hearing
9 conducted in accordance with KRS Chapter 13B.
